

Ginger Lily Floral Designs

Wedding Price List

At Ginger Lily Florists we pride ourselves on being able to create stunning designs for your special day whatever your individual style or budget maybe. We can design bridal bouquets and posies, buttonholes and corsages, beautiful arrangements for the church and reception, pedestals and cake decorations.

Because each wedding is unique we would very much encourage you to arrange a one to one consultation. This allows us to discuss your ideas in more depth and show you work from our extensive portfolio. Please bring along any material swatches, pictures of ideas you may have or even the actual flowers you like!

We appreciate you may not live locally or in the Brighton area in which case we can correspond by phone and email to give you the very best flowers for your day.

Our price guide is shown below to help give you a starting point with regard to costs. However I am sure you can appreciate that the prices are variable according to your flower choice and their seasonal availability.

Thank you for your time and we very much look forward to hearing from you.
